

The CP Tip Jar

Comprehensive Planning
November 2014

IMPORTANT

Phase 1 Comprehensive Planning Entities -

Now is the time to revisit the sections: 'District Profile', 'Core Foundations', 'Assurances' and begin analyzing data for your 'Needs Assessment'.

Access the workflows on the wikispace for more insight on where your entity should be in planning.

Thank you to the Charter Schools who attended our Charter School Training throughout the month of November. If you missed one of the offered sessions or need a refresher, there will be a screencast outlining the key points. Please visit the wiki site and click on "**webcasts**" at the right hand side of the screen. *Coming in early December*

Don't forget:
Phase 3
Comprehensive
Plans are due
November 30, 2014

Did you know?

There are requirements for your Comprehensive Planning committee, School Improvement committee and Special Education committee?

Head to the wikispace/webcasts to find out who is required to be on the committee for the plans required for your entity.

Upcoming training:

SAS Institute - December 10, 2014 for Focus and Priority Schools.

The training will cover effective planning strategies, updating existing plans and directions for obtaining approval.
