Comprehensive Planning  
January 2015

Phase 3 Comprehensive Plans were due November 30, 2014. If you haven't submitted, please do so as soon as possible!

Success doesn't just happen. It's planned for.

## Attention all Phase 1 LEAs

At this time, your entity can be doing the following:

- Reviewing/recording school systemic challenges (from School Level Plans or School Improvement Plans if applicable)
- Reviewing the "Needs Assessment" - Analyze systems section
- Begin building the District or Charter Level Plan

## Special Education Plan Training

During the month of November, a training was conducted at the PaTTAN offices regarding the Special Education Plan. If you missed this training or would like a refresher, please click [here](#).

Check out the updated resources on our CP wikispace. Resources such as workflow timelines for Districts, Charter Schools and IUs are available, as well as webcasts and offline planning guides.
