In order to have the “submit” button appear on your Comprehensive Plan, School Improvement Plan or the Charter Annual Report, you must first “Check the Plan for Issues” under the “Plan Submission-Status and History” area?

Status and History

Before submitting your comprehensive plan, you must first check for any issues that may be present.

Check Comprehensive Plan For Issues

All Priority and Focus schools will need to resubmit their School Improvement Plan by **June 30th** each year. Stay tuned for details regarding this process.
